

Practice Sheet Mild 1

Units of time loop cards

There is a question about units of time on the bottom of each card.
The answer is at the top of another card.
Find each answer and match it to the next card until you have completed the loop.
Order the cards by numbering them 1-10, and then cut them out and stick them in order in your maths book.

31	How many minutes in quarter of an hour?	28	How many days in April and June altogether?	12	How many days in February when it is not a leap year?	7	How many days in a leap year?	365	How many days in February in a leap year?
60	How many days in a year that is not a leap year?	15	How many minutes in half an hour?	29	How many days in a week?	366	How many days in March?	30	How many months in a year?
