**Joint Activity Day at Amberley Primary School – Wednesday 7<sup>th</sup> November**

The children had a wonderful day exploring music from different parts of the globe. Samba music, Chinese pentatonic scales and African songs were heard throughout the school and the children thoroughly enjoyed listening to, making and playing didgeridoos. Thanks go to Mrs Cork from Amberley School for organising the whole event, to all the staff who embraced the day and to the Friends of St James' who funded our share of the event.

**Personnel**

There has been a lot of interest in the position for Senior Teacher. The Governors are hoping to appoint by the end of the term.

**Children in Need – Friday 16<sup>th</sup> November**

Thank you for supporting the cake and hot chocolate sale last week. St James' and Chuckleberries jointly raised £100 for Children in Need.

**Football v Northchapel**

Two children played in a match with Amberley School against Northchapel which resulted in a 15-1 win. Well done to William and Thomas.

**Commitment to Clubs**

If your child has signed up to an after school club, please could they commit to attend every week.

## Unveiling of the Shackleton Chest at Shackleton Close

A group of children from school were involved with the opening of the new homes in Shackleton Close. The wooden sculpture was designed by the children and it was lovely to see the finished piece.

## News from FOSJ

We would like to thank everyone who braved the elements and made our first fireworks evening a huge success. We raised a staggering £303 which will be put to great use for all the children.
