PE

It's Fancy Dress Friday! I am looking forward to seeing the outfit Joe chooses for today. Will it be better than Buzz Lightyear last week?

Remember, if you prefer to do other exercise later in the day that is fine.

English - Spelling

Today's lesson objective is 'To practise and apply knowledge of homonyms, including test' taught by Ms Morgan. You will need a notepad and a pen/pencil. I will provide extra resources on the website to move your learning on further if needed.

Lesson link: <https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-homonyms-including-test-65h36d>

1.10 - Revise what a homonym is.

3.01 - Spot the homonym in the sentences.

3.33 Spot the odd one out.

5.48 - Correct definition.

6.47 - Revise the spelling words.

8.58 - Think of two sentences for the word safe.

9.55 - Learn a new strategy. Most of you will be familiar with this, but it is good to remind yourselves.

10.47 - Practise 4 spellings using LCWC.

11.05 - **Spelling test**. Make sure you have turned the captions off for this! It is the CC button next to the full screen icon.

The spellings may be easy for some of you so I have added a homonym power point to the website. It uses homonyms in jokes, which I think you might find fun. You could even try and write your own!

MyMaths - Shape

Today we are learning about rectangles further and then looking at the concept of regular and irregular shapes.

The link to my loom video is

<https://www.loom.com/share/1fc2441bf73a49debe4c846cbdcdb32b>. In the video, I will talk you through the lesson layout and what you need to do. I will also show you the homework.

Remember, you will still need to work through the lesson yourself, making notes in a notebook and then complete the homework.

Today's lesson is:

Yr 4 - Rectangles and irregular polygons

If you finish early you could practise drawing the different shapes, especially the irregular ones!

Quiet Reading

No reading today as you have asked for Golden Time!

RE - Buddhism

Today's lesson is 'What are the four noble truths of Buddhism?' You will need a notebook or paper and a pencil or pen. You may also want to have coloured pencils, or pens and a ruler. You will be drawing a story map. You can present your work as shown in the video, or you might prefer to draw it out of boxes using colours.

Lesson Link: <https://classroom.thenational.academy/lessons/what-are-the-four-noble-truths-of-buddhism-74tp6d>

1.46 - Buddhism: an oral tradition.

3.30 - **Write the sentence, choosing the correct option.**

4.12 - The Threefold Path to Enlightenment.

5.35 - **Match the English word to the Pali word.**

6.16 - The Four Noble Truths.

8.12 - **Complete the sentence.**

9.40 - **Complete the sentence.**

10.58 - **Complete the sentence.**

12.42 - **Complete the sentence.**

13.25 - Task. Commit the Noble Truths to memory.

14.22 - The Tipitaka.

15.32 - Match the basket to the definition. No recording.

16.37 - **Complete the sentences.**

Exit Quiz! Record your score and send it in, along with the work in bold, on Friday.

Golden Time

Enjoy an activity of your choice. Have fun and reward yourself for all your hard work!

End of the day!

It is the end of the week - another one down!

Today I have chosen the first two chapters from the book 'Head Kid' by David Baddiel. If you prefer to continue 'How to Train Your Dragon' from yesterday, feel free.
