### Mindfulness

It is 'Children's Mental Health Week' and it has the theme of Express Yourself. Expressing yourself is about finding ways to share feelings, thoughts, or ideas, through creativity. This could be through art, music, writing and poetry, dance and drama, photography and film, and doing activities that make you feel good.

Message from the Duchess of Cambridge:

<https://www.childrensmentalhealthweek.org.uk/news/the-duchess-of-cambridge-sends-message-to-mark-children-s-mental-health-week/>

People discussing how they express themselves:

### MyMaths - Shape

I will continue to set year groups slightly different tasks this week as you all need to cover different areas of the curriculum. Take care when selecting the correct loom video.

**Remember, you will still need to work through the lesson yourself, making notes in a notebook and then complete the homework.**

Today's lessons are:

Year 4's - Y2 Position and Turning

### Quiet Reading

Continue to read for 30 minutes a day and make notes in a notebook. Remember Mrs Martin would like you to continue to record your thoughts about the book. *You could identify where fronted adverbials are used, linked to our grammar lesson today.*

### Science - SPACE!

Some of you have reported the videos not playing during the lessons. I have put the links to them in the lesson breakdown to help.

Today's lesson is 'What are stars and star constellations?' You will need a notebook or paper, a pencil or pen, a coloured, pencil or pen, and a ruler. You do not need to print the worksheets unless you prefer to as it will be easier. I have put all main tasks in a **bold font** to help you know what work I would like to see.
