## PE

It's Fancy Dress Friday! I am looking forward to seeing the outfit Joe chooses for today. We found the Whoopee Cushion very funny last week!

Remember, if you prefer to do other exercise later in the day that is fine.

## English - Spelling

Today's lesson objective is 'To practise and apply knowledge of homophones, including test' taught by Ms Morgan. You will need a notepad and a pen/pencil. I will provide extra resources on the website to move your learning on further if needed.

## MyMaths - Shape

I will continue to set year groups slightly different tasks this week as you all need to cover different areas of the curriculum. Take care when selecting the correct loom video.

**Remember, you will still need to work through the lesson yourself, making notes in a notebook and then complete the homework.**

Today's lessons are:

Year 4's - Investigate symmetry 1 & 2

(There is no homework for this challenge, it is a chance to explore and develop your understanding of symmetry further.)

### Golden Time

Enjoy an activity of your choice. Have fun and reward yourself for all your hard work! It could be something you saw on the Express Yourself videos yesterday.

### End of the day!

It is the end of the week - Well done for all your hard work

I thought a great way to end the week would be to listen to the comedian and author David O'Doherty talk about his book series. I find him and his books funny, I hope you do too!

Enjoy sharing your learning with Mrs Martin over zoom.

Have a lovely weekend and I will be back on Thursday.
