Mindfulness

Time to relax! I have included two links that you could use but if you prefer a different method of relaxation and reflection then that is fine.

Square breathing <https://www.youtube.com/watch?v=YFdZXwE6fRE&t=33s>

Yoga and mindfulness <https://www.youtube.com/watch?v=xELgfiXSw-s>

If you prefer to start your day more actively you could do another Joe Wicks workout on his Body Coach channel, or do your exercise later in the day.

English - Grammar

Today's lesson is taught by Mrs Hardisty. You will need a notebook and a pen/pencil. The Learning Objective is 'To explore pronouns'. I have included a breakdown of the lesson below. There are additional worksheets on the website, which you may want to use.

Lesson link: <https://classroom.thenational.academy/lessons/to-explore-pronouns-cmvkjr>

1.06 - What is a pronoun?

2.20 - Video clip

3.50 - Examples of pronouns

7.00 - True or false

7.30 - More examples

10.04 - Odd one out

10.40 - Practise. No recording needed.

13.47 - **Write the pronoun for each sentence.**

16.39 - **Write the two pronouns for each sentence.**

18.20 - Possessive pronoun

19.45 - **Write the correct possessive pronoun.**

Further learning:

Pronoun differentiated worksheet on the website.

BBC Bitesize has the video used in the lesson if you need to watch it again.

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z37xrxw>

MyMaths - Shape

Today will be slightly different. Year 4 you will be set different work as you need to consolidate your knowledge of measuring angles. There will be additional worksheets on the website for you. Year 5 and 6 will be moving on to areas of the curriculum, they need to cover.

The link to the loom videos are below. I will talk you through the lesson layout and what you need to do. I will also show you the homework. **Remember, you will still need to work through the lesson yourself, making notes in a notebook and then complete the homework.**

Today's lessons are:

Year 4's only - Y3 Angles 1

<https://www.loom.com/share/160e93af50134388988c9a336455a23f>

Years 5 & 6 - Y5 Bearings

<https://www.loom.com/share/fc324d9ce1174a39a3d07ec7dafabdd7>

Your marks will be recorded for me to be able to see. If you need to improve your score, you can retake the homework through your feedback page.

Further learning:

Star wars lines activity and a right angle investigation on the website.

What is an angle - <https://www.bbc.co.uk/bitesize/topics/zb6tyrd/articles/zg68k7h>

Angle song - https://www.youtube.com/watch?v=2MWYakuD8_k

Bearings on line game: <https://www.mathsisfun.com/games/direction-bearing-.html>

Compass labelling on the website

Quiet Reading

Continue to read for 30 minutes a day and make notes in a notebook. Remember Mrs Martin would like you to continue to record your thoughts about the book. *You could identify where pronouns are used, linked to our grammar lesson today.*

Science - SPACE!

Today's lesson is 'How do the planets in the solar system differ?' You will need a notebook or paper, a pencil or pen, a coloured, pencil, or pen, and a ruler. You do not need to print the worksheets unless you prefer to as it will be easier. I have put all main tasks in a **bold font** to help you know what work I would like to see. Again, I have included a breakdown of the lesson below.

Lesson Link:

<https://classroom.thenational.academy/lessons/how-do-the-planets-in-the-solar-system-differ-69k6ar>

Introductory Quiz! Complete the 4 questions and write down your score.

2.12 - Names of the planets

2.45 - **Create the table for the learning** (Slide 2 on the worksheets)

4.20 - Mnemonic

6.13 - Rocky Planets. Video

Make notes on your grid for all the planets!

8.08 - Mercury.

10.02 - Venus

10.55 - Earth

11.45 - Mars

12.22 - Thinking questions

12.36 - Outer gas planets. Video

14.35 - Jupiter

15.41 - Saturn

16.24 - Uranus and Neptune

18.15 - Sorting the descriptions

19.35 - **Answer the questions** (Slide 11)

20.43 - Thinking task

Final Quiz. Complete the 4 questions and write down your score.

Remember I would like you to keep a record of your quiz scores and send it, along with photos of the work in bold, on Friday.

There is also a BBC Bitesize page and YouTube song that support your learning.

The sun <https://www.bbc.co.uk/bitesize/clips/zdnhfg8>

Space rocks https://www.youtube.com/watch?v=rVdniqc_G_Q

Remember, if you finish the lessons and would like to learn more I have included some links you may wish to explore further.

CBeebies have had a space focus with Maddie, Space and You.

<https://www.bbc.co.uk/iplayer/episode/m000rjgg/maddie-space-and-you-series-1-1-rockets>

They have also had a stargazing series for children.

<https://www.nasa.gov/kidsclub/index.html>

Brian Cox's series The Planets

The information may be very hard to understand but the images and videos are amazing!

<https://www.bbc.co.uk/iplayer/episode/p06qj30b/the-planets-series-1-3-the-godfather-jupiter>

End of the day!

Today I have chosen 13 Storey Treehouse by Andy Griffiths & Terry Denton. There are more parts online if you enjoy it. It is a great series of books.

<https://www.youtube.com/watch?v=YhKJ7AVI38o>
