**KS1** No data due to Covid

Reading

Writing

Mathematics

**KS2 No statutory data due to Covid**

Reading Teacher assessment 33%

Writing Teacher assessment 33%

Mathematics Teacher assessment 66%

## Spending and Impact

Focus	Cost	Impact	Evaluation	Decision
Educational visits including residential	£325.50	Provision enables all pupils to benefit from the wider curriculum which boosts self-esteem; broadens life experience; and develop social skills and language. All these support pupils to make better academic progress.	Good value for money.	Continue
Breakfast Club	£117.50	Provision enables children to have a nutritious breakfast, and to be at school on time so that they are calm and ready to learn. Provision enables parents to work, improving quality of life.	Good value for money.	Continue
Clicker 8	£900.00	Can be helpful for some children but leads to dependency and cannot be used for independent writing assessments. Very labour intensive for staff.	Poor value for money.	No further purchases intended.
Senco % of salary	£1,424.65	Enables DP with SEND to have additional support from Senco.	Good value for money.	Continue
Support staff/teacher salary for additional hours	£973.56	ELSA support and additional interventions including phonics and maths. Very positive impact on bereaved pupils with improved mental health. The majority of pupils made accelerated progress (no accurate measures due to Covid.)	Good value for money	Continue
Resources	£1,064.90	Generic: Book bag scheme to support home reading. Specific: Toe by Toe; Power of 2. Positive impact with accelerated progress in maths, reading and spelling.	Good value for money	Continue
Contingency	£523.89	Carried forward as school closed during lockdown.		

<b>TOTAL</b>	<b>£5,330.00</b>
