Enabling every child to thrive and succeed

10th November 2025

Dear Year 6 Parents/Carers,

SATs Preparation Club and CGP Revision Books

I hope that you are well today and having a good start to the week.

As this is your child's final year in primary school, they will be taking their Key Stage 2 SATs in May 2026; these are statutory tests that form the final assessment of primary school education.

As part of their classroom learning, the children will be undertaking SATs preparation but we would like to offer the opportunity for the children to have some extra support through a SATs Preparation Club which will run **weekly** from **Thursday 27th November 2025** to **Thursday 7th May 2026.** Mrs Martin will lead the club.

In a change to previous years, SATs Club will run at lunchtimes between 12 noon and 1pm. The children will eat their lunch with Mrs Martin as we carry out activities to support their SATs preparation. There will still be the biscuits that the children have come to expect!

Within the club, the children will experience learning focused around specific areas of the curriculum where they need extra support, learn how to answer questions in the way needed for SATs and be prepared for the way the tests are practically implemented.

The SATs Preparation Club will take priority in my diary; however, there may be times when I will unavoidably be required to be in attendance elsewhere as headteacher. If this possibility occurs, there may be weeks where the club will not take place but we will let you know if this happens.

I would very much encourage all the Year 6s to attend the club as, not only does it help to prepare them for the SATs, it also builds a lovely team feeling of them all facing the challenge of SATs together and they become a wonderful support network for each other.

If you would like your child to attend the SATs Preparation Club, please email the School Office at office@coldwalthamschool.com to indicate they would like to attend and giving your consent.

CGP Revision Books and Resources
To support the children with their preparation for the SATs, the school will be purchasing a set of revision books for Reading and Maths, as well as some revision flash cards for GPS (Grammar, Punctuation and Spelling) and Maths, for each child. There will be no charge for parents/carers for these materials. When these resources have been purchased, we will let you know.

I am very much looking forward to running SATs Preparation Club and hope that the children will attend. We are keen to support them as much as possible with SATs and make sure that they are well-prepared, relaxed and comfortable when the week arrives. Thank you for your continued support of the children's learning.

Kindest regards,

Mrs Lizzie Martin
