Person Responsible:	Headteacher
Date Approved by FGB:	March 2019
Date for Review:	March 2020

1. STATEMENT OF INTENT

The Governing Body of this establishment recognises the need to ensure the safety of every pupil, member of staff (permanent and temporary) and visitors to our establishment. We also recognise the importance of protecting the buildings and contents.

The Governing Body recognises that it has certain legal duties under the Health and Safety at Work Act 1974 and subsequent relevant legislation and will endeavour to fulfil this obligation.

This policy will not only apply to those working on the premises but to those engaged in off-site activities, sporting events and home visits. The Governing Body wish to make it clear that, whatever form and for whatever reasons - violence is unacceptable.

We are committed, so far as is reasonably practicable, to reducing the risk of violence and improving security by the implementation of this policy. Risk assessments will be undertaken to identify areas of concern and the appropriate control and preventative measures to be taken. These controls will include training, guidance and advice, codes of practice, physical measures and legal guidance.

Violence is defined as any incident in which a person or a member of their family is subjected to verbal abuse, threatening behaviour; harassment or actual physical assault in circumstances relating to their work. The Governing Body will be fully supportive to any members of staff or pupils who have been subject to violence at school. The effectiveness of this policy will depend on people to implement it and make it work successfully. This will involve every member of staff working together in a positive security and safety culture as part of a team.

Any member of staff, pupil or parent who has any suggestion for the improvement of policy or security arrangements will be welcome and encouraged to pass on that information to the Headteacher. A copy of this policy will be permanently held in the staff room. This document is supported by the WSCC document entitled 'Managing Security to Protect Users of Establishments'.

This policy will be reviewed at least once a year and upon significant change of circumstances.

2. ORGANISATION AND RESPONSIBILITIES

i) The Governing Body

The Governing Body will be responsible for ensuring the overall effectiveness of this policy by working closely with the Headteacher and other members of staff whose role it is to implement the requirements of this policy. This will involve

The Business Manager will review the security guidance annually (or following a significant incident) to ensure compliance and shall ensure the security risk assessments have been undertaken, their findings implemented and the assessments reviewed as required.

The Business Manager will also ensure that all staff undertake induction training with respect to the school's security and emergency arrangements.

iv) The Caretaker

The Caretaker will be responsible for ensuring that the following practical security arrangements are carried out:

- Shutting and securing all doors and windows at the end of the working day, together with teachers and after school club leaders.

- Setting the buildings intruder alarm system at the end of the working day, together with teachers and after school club leaders.
- Ensuring that no items of equipment are left outside overnight, particularly equipment enabling access to buildings, e.g. ladders.
- Ensuring that bins are secured and are at a suitable point away from the buildings and ensuring that external waste bins are emptied regularly.
- Reporting defects in external lighting to the Security Co-ordinator who will take appropriate remedial action.

v) Staff Responsibilities

Staff are required to comply with the security arrangements that have been put into place and the security policy at all times.

Staff should report incidents/concerns to the Business Manager and to ensure that the incidents are reported and recorded as necessary. Staff shall ensure that the external classroom doors and windows are secured when the classroom is not in use.

3. ARRANGEMENTS

i) Visitor/Access Control

Access to the building via the main access points will be controlled and supervised by the office staff. The Business Manager shall ensure that a record of all visitors to the establishment is maintained (with the exception of the peak am / pm reception and collection periods). All visitors shall wear an official visitors' identification badge.

ii) Lone Working

No member of staff should regularly be lone working and every effort must be made to avoid work alone. If it is not possible to avoid lone work then staff must seek approval from the Headteacher. Staff working late will:

- Make themselves aware of the essential contact numbers (Headteacher / Business Manager / Caretaker).
- Inform family / next of kin of intentions to work late and expected time of completion, and the procedures that are in place should they not return at the expected time.
- Know where the nearest available telephone is. There is a telephone in the main office, Headteacher's office, staff room and PPA room. All teachers have their own mobile phones.
- Lock external doors to buildings to prevent unauthorised access (subject to fire escape routes being maintained).
- If possible, inform other members of staff when working late.
- Inform their home contact prior to leaving the establishment.

iii) Incident Reporting / Recording

To gauge the effectiveness of security arrangements and to assist the monitoring and review processes, all incidents relating to security of premises and violence to persons shall be reported to the Business Manager and where necessary recorded in a security incident log. Incidents of violent nature (physical and verbal) to staff members shall be reported to the Governing Body.

Any significant security breaches / violent incidents must be reported to the Headteacher who should along with the Business Manager investigate the incident as soon as practicable. Consideration should be given to notifying the Police authorities. The findings of the investigation and the action to be taken to prevent a reoccurrence should be discussed with the staff group.

iv) Risk Assessment

The Business Manager shall ensure that risk assessments are undertaken to identify any hazards and to ensure that the appropriate control measures are implemented. These risk assessments shall be reviewed annually.

v) Staff Induction

All members of staff whether permanent or temporary will be briefed on the school's security arrangements and any significant hazards present as part of their induction and thereafter on a regular basis. The contents of this security policy will be brought to their attention.

vi) Information for Pupils / Parents

Good security will involve the co-operation of all persons who use the school site. Pupils and parents should feel part of this process. Pupils should be briefed regularly on the arrangements as they effect them in assembly or by their class teacher but in a manner relevant to the level of security implications.

vii) Cash Handling

Small amounts of money looked after by teachers should only be held in a secure lockable cupboard or drawer.

All other sums of cash should be locked in the school safe until banking – within safe's insurance limits. Large amounts of cash should not be allowed to accumulate in the safe or remain on the premises during holiday periods.

When banking cash the guidance given in the 'Managing School Security in Practice' document should be adhered to.

vii) Training

The Headteacher will be responsible for identifying and arranging any training required as identified by risk assessment.

viii) Emergency Procedures

Pupils are not to confront/challenge strangers on site at any time, but to report the situation to a member of staff immediately. The level of staff response to an incident will depend upon the seriousness of the situation and risks involved.

Staff should never challenge any person unless it is safe to do so. Staff who have serious doubts concerning a visitor/intruder or believe a violent act/damage may be committed should not challenge the person but inform the Head Teacher or Business Manager immediately. They should observe from a safe distance/concealed position noting details of the intruder.

If approached by a person about to offer violence staff should move away and retreat to a safe distance.

Staff should not attempt to detain or remove an intruder from the premises using force.

If it is considered an intruder is about to enter the premises and commit a violent act access points should be secured to prevent unauthorised entry. (Fire escape routes must be maintained). The police should be called immediately. To contain the incident, the school's lockdown procedure will be used.

The office staff will contact the emergency services on 999 if assistance is required and follow the Authorities and School's Emergency Plan if appropriate. The school will develop and maintain good links with the local police and Crime Prevention Officer and seek advice as considered necessary.

ix) Monitoring and Review of Policy

The Governing Body will review this policy at least once a year or whenever significant changes occur.
