

Tuesday 26th January 2021

Please note the change in timetable today; variety is the spice of life so I thought you could have a change around today!

Quiet Reading

During last week, you should still have been reading for 30 minutes a day. You may continue to use this time to read and make notes but, if you would like, you can write a Book Review of the books that you are reading. I have put two templates onto the class webpage for you to use if you wish.

Here is a link to what should be in a Book Review from the Book Trust:

<https://www.booktrust.org.uk/books-and-reading/tips-and-advice/writing-tips/writing-tips-for-teens/how-to-write-a-book-review/>

You can use this to guide you to write a Book Review and then present it in any way you want, if you would prefer not to use the templates.

Maths

Yesterday, you should have chosen the year group sequence of learning that you have decided to follow from the ONA. If you are doing the Year 4 and Year 6 sequence, the links to the next lesson in the sequence are below. *Please note that there is an introductory quiz at the start of the lesson to recap your previous learning.*

If you chose the Year 5 learning, you will notice that you are completing Lesson 1 today! This is due to the fact that yesterday's lesson was not the right year group for you! Today's lesson is most definitely Year 5!

It is really important that you are doing the activities that are set throughout the videos. If you are asked to think about something or to note your ideas down, *please make sure that you do it or you are missing your learning opportunities.*

The Year 4 and 6 lessons have a worksheet that accompanies them for the main activity, so make sure you have downloaded the corresponding worksheet from the class webpage where they will be uploaded. The worksheets are part of the videos too.

Each Maths lesson finishes with a quiz – make sure you do it as a way to check your understanding!

Year 4 <https://classroom.thenational.academy/lessons/calculating-unit-fractions-of-quantities-c4t6ad>

Year 5 - <https://classroom.thenational.academy/lessons/representing-equivalent-fractions-cgtker>

Year 6 - <https://classroom.thenational.academy/lessons/understanding-equivalence-75hkqe>

English

For your English today, you will need to use the PPT that is uploaded to the class webpage. The PPT will lead you through the learning and the tasks that you are expected to do.

Today's focus is on creating an advertisement for 'Rambashi's Jungle Grill'. The PPT leads you through thinking about adverts that you like, what adverts need to contain and thinking about the content specific to 'Rambashi's Jungle Grill'. You will need Chapters 2 and 3 of the text.

PE

As it's Tuesday today, it is a mindfulness and well-being day.

For today, I have decided to share a guided meditation from Cosmic Kids: <https://www.youtube.com/watch?v=HtYIQiXyrsE>

Guided meditation is a technique by which we find a sense of calm, quiet and stillness. It is an important skill to learn how to still ourselves and focus on the now.

The guided meditation today is about sending kind and friendly wishes to people; this is very pertinent to today as we are distanced from those that we love, like and even those we don't like so much!

History/Geography

Today's lesson is 'Who was Fu Hao?' There is a video to work through and you will need a notebook, a pen/pencil and your brain! Throughout the video, Mr Hutchinson will tell you when you need to pause and make notes in response to the learning. Please have these with you on Friday to share with me.

The link for this lesson is: <https://classroom.thenational.academy/lessons/who-was-fu-hao-6hhp4r>

You must complete the lesson in order to be prepared for the lesson you will be set tomorrow. At the end of the lesson, there is a quiz for you to complete; please do this and make a note of the marks that you get!

If you finish the lesson and have more time to learn, I would like you to do the extension task that was set yesterday.

Extension task

- In the lesson yesterday, you learnt that there were many other civilisations around at the same time as the Shang Dynasty. I would like you to choose one of these civilisations and do some research into it. I know that many of you have already done the Ancient Egyptians in school so it would be good if you chose one of the other civilisations to grow your bank of historical knowledge.
- Present your research as you wish – this is your choice but make sure that it is the standard that we would expect to see in school!

This completes the learning for today! I hope that you enjoy doing it and that you find it engaging and interesting. I will set tomorrow's work during the day so that it is there for you to start on tomorrow. Have fun, try your hardest and I look forward to seeing what you have done at the end of the week!
